Sweepstakes Tracker

A simple running list so you actually follow through, and so you notice every little win.

Only do it if you enjoy the doing. **The prize is rare. The fun is available every single day.**

Sweepstakes	Daily or one-time	Mail-in option?	Date entered	Won? (the little jolt)

Little wins this month

The win is not the gift card. It is the jolt of "no way, I actually got something." A one dollar biscuit can give you that as easily as a big prize. Enter because it lights you up.
